

Why Choose An Independent Insurance Agent?

Did you know that you have three choices to choose from when selecting an Insurance Agent?

1. Independent Insurance Agents

We represent many insurance companies. This allows us to compare their services, prices, coverages and put together the best combination for your protection and security.

2. Direct Writers

They represent only one company and are locked in to only the services that the one company provides.

3. Telephone Representatives

They can offer you the insurance of only one company and only on the telephone.

You should choose your insurance agent as carefully as you choose your physician, dentist, lawyer and other professionals who help you make decisions that affect your well being.

Your Independent Insurance Agent:

- “ Is your friend and neighbor, with strong community ties. ”
- Gives you outstanding service and competitive prices

- “ Offers you a choice of services, price, and coverages.
- “ Can provide all of your insurance needs..auto, home, renters, business, farm, and health.
- “ Will periodically review your coverage to keep up with your changing insurance needs.
- “ Treats you like a person, not a number
