*Reflection on our 70 Years  
in Business*

In 2015, the Agency celebrated its 70th Anniversary. From beginning on the front porch of Joe Sovis Sr.'s home, the agency has grown to employ 14 people specializing in multiple forms of insurance coverage.

Over the years we have not lost sight of our motto "Treat People the Way We Would Want to be Treated." The agency represents many of the best companies for their financial strength and outstanding customer service. Our professional team of licensed agents stand ready to help you with your insurance needs.

*Happy Retirement*

Barbara Chastain retired in January after 34 years with the Agency. Barb started with us in 1981 and was an integral part of the agency. She worked in many different roles, most recently in our commercial lines department.

We want to thank her for the many years of dedication to the agency and wish her a very Happy Retirement!!!
